REEL BEAUTY, INC. AUGUST 1, 2008

Greetings everyone,

On June 22, 2008, Reel Beauty hosted its first annual fundraiser a celebrity softball game/mini carnival. Our event was very SUCCESSFUL!!!! Previous girls who attended our program along with local personalities, celebrities, sponsors and volunteers came out to support a BEAUTIFUL cause. We are currently in the process of planning our second annual for next year.

Now that summer is well on its way, we are beginning our fifth workshop summer series August 9th thru August 24th at Little Black Pearl Workshop. We anticipate another group of BEAUTIFUL young women to help revitalize their mind, body and spirit.

Finally, Reel Beauty will like to congratulate all our hard working young women who have graduated from high school to begin another chapter in their lives. As we approach fall and back to school, be encouraged and look for our fall series dates soon.

I'll be in touch-stay blessed,

*Deida*
